Aug. 16, 2021

Dear Mr. Burt,

Please accept this letter as notice of my retirement as of Aug 31st 2021. It has been a pleasure to work with so many Colchester Public School staff over the last 35 years. My fondest memories are those of the students.

I will leave feeling I have been exactly where I belonged in the work force. It's a gift to have made so many lasting relationships and join the ranks of those who retired before me.

I wish Colchester Public School to thrive in all ways possible.

Sincerely,

Marie Center
